

COLORADO GIVES DAY

12.8.2020

EAGLE COUNTY GIVES inspires our mountain community

to rise together and raise awareness for Colorado Gives Day, a statewide movement of 24-hours of online giving. Collectively, the 50+ participating non-profits serve our community through providing basic human needs, health and human services, protecting the environment, enhancing arts and culture, and developing the next generation.

Share your passion for giving back with an opportunity to support all participating non-profits in the Vail Valley.

Please join us by becoming a Community Sponsor!
